**1. Responses to Request for Information / Clarification**

- (a) In regards to RFB No: 2011-07 we would like to know if we would be responsible to install the equipment and also who would you consider to be the contractor? Will that be us or the manufacturer?

Response: The selected vendor will be responsible for installation of equipment as specified in the RFB.

- (b) We would like to bid on a few items... not the entire list of equipment, specifically lifts and the electric golf cart. Is this allowed?

Response: **Bids must include all items listed in the bid sheet.** Vendors of interested in bidding on specific items may contact other plan-holders to consider subcontracting opportunities. A list of vendors to whom the RFB was sent is included in this Addendum.

- (c) Can the bid due date be extended to September 20<sup>th</sup>? Will partial bids be accepted?

Response: **The due date for receipt of bids in response to RFP 2011-07 is extended to 3:00 PM, Tuesday, September 20<sup>th</sup>, 2011.** Only bids including all items listed in the bid sheet will be accepted. A list of vendors to whom the RFB was sent is included in this addendum.

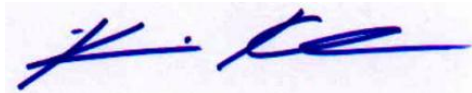

- (d) Do I attach a formal quote to this bid sheet or just send the bid sheet in with your cost and delivery / install date? Since the items I'm bidding on don't necessarily need to be installed, can I just state a date for approximate delivery?
